

## **CFS HIRES JOHN DELEBO AS BUSINESS DEVELOPMENT MANAGER**

CHANHASSEN, MN (Jan 29, 2007) - Custom Fab Solutions, LLC (CFS), a custom plastic/metal fabricator and systems integrator serving technology industries, recently hired John Delebo as Business Development Manager. In this new role, Mr. Delebo will work to grow CFS' existing business and to develop new markets.

"With an excellent creative and production team in place, and the latest in equipment in our state-of-the-art facility, we feel CFS is poised to make impressive strides in the coming years," said Bill Braunwarth, CFS director of sales and marketing.

Delebo has nearly 20 years experience in business and marketing in the high-technology industry. Prior to joining CFS, Delebo was vice president, marketing and sales for Kinetics Systems and FSI International. He was also sales manager for a worldwide pharmaceutical and semiconductor high-purity water equipment company.

Delebo has an MBA from the University of Minnesota and a B.S. in chemistry from St. John's University.

"We are fortunate to have someone of John's caliber on our team," said Braunwarth. "His extensive background in the high-tech industry combined with his hands-on experience and knowledge of our customers' needs makes him very well suited to help CFS pursue our ambitious growth strategy."

**About Custom Fab Solutions.** CFS is a Minneapolis-based fabricator of plastics, Teflon® and PFA. The company offers metal fabrication, electro-polishing services and is a systems integrator serving technology markets. The company combines its capabilities with its customers' needs to integrate customer-specified instrumentation and controls into a ready-to-use product. CFS primarily serves the semiconductor, disk drive, electronics, medical, pharmaceutical and aerospace industries, where precision and contaminant-free material/products are required. The company web site is located at: [www.CustomFabSolutions.com](http://www.CustomFabSolutions.com).
